My goal is to be just like my dad. I enjoy ~~being~~ being with him. He is fun to be around. He is a pipeline welder. I would like to be one also one day. ~~I would~~ I would achieve my goal by being with him and watching what he ~~does~~ does. I also would try to learn to weld just like him. I would learn all the great things of pipeline welding.

I love my dad very much so that's why I want to be just like him.
